

# VOLUNTEER APPLICATION

*Thank you for your interest in volunteering at Whisker City.*

*Please return this completed form and someone will contact you as soon as possible.*

*We look forward to talking with you.*

Whisker City is managed by a small group of dedicated volunteers. Reliability is the key to the successful management of our felines. The orphans need physical and mental health care every hour of every day regardless of holidays and weather. We require a minimum of 2 hours per visit and prefer that visit occur on a regularly scheduled day and time. It is helpful if volunteers live near the Shoreline area.

We accept off premises volunteer support for community service projects for juveniles under the age of 18 under adult supervision with written permission from parent or guardian.

We do not accept applicants under the age of 18 on shelter premises or the mobile adoption center unless they are proven to be of adult maturity and able to work independent of supervision with parent or guardian written permission.\*

NOTE: We do not accept adult or juvenile court appointed community service.
