## **SUPPLIES**

Whisker City is able to supply food and supplies for foster parents. If foster parents are able to buy cat/kitten food and supplies themselves, that is great too! And it's tax deductible. We have bedding, cat litter, litter boxes, toys, and cat carriers for safe transport. You'll need to supply a clean room that is safe for cats and kittens, with adequate heating and ventilation, and transportation to and from our shelter in Shoreline and to a Whisker City approved vet, if medical care is needed.

Please let us know what supplies you'll need, if any, to become a Whisker City Foster Parent.

---

## **SAYING GOODBYE**

The most difficult part of fostering for many people is saying goodbye to foster cats and kittens when they are ready to be adopted. It's easy to become attached.

Do you feel emotionally capable of returning them to us when the time comes?

\_\_\_\_\_Yes      \_\_\_\_\_No

If your answer is no, good news, you can adopt your foster pet! It happens and it's great knowing that a kitty just found its forever home. Please contact Whisker City and an adoption counselor will guide you through the adoption process.

## **Questions or Comments?**

Thank you for your interest in becoming a Whisker City Foster Parent! Do you have any questions or is there anything else you would like us to know about you? Please let us know any comments or questions that you might have.
